## MEDIA INFORMATION 2018

The *Railway Magazine Guide to Modelling* is a tabloid publication from the publishers of *The Railway Magazine*, *Rail Express* and *Heritage Railway*. The Modelling magazine is distributed nationwide across model shops and heritage railway lines and is

primarily aimed at beginners and returners to railway modelling.

Model shops and manufacturers advertise to illustrate what's available for this popular hobby and high-quality editorial will feature nostalgia, new models, how-to, and

lots more. The *RMM* also features steam heritage lines, museums and places to visit to get inspiration for the hobby.

*Modelling* helps answer the modelling questions thousands of readers want answered every month.
